

**CANDIDATE FOR GOVERNING BOARD MEMBER
CHINO VALLEY UNIFIED SCHOOL DISTRICT**

NAME: ROSIE AMBRIZ

OCCUPATION: Governmental Relations

I believe that it is important to direct existing funds to the classroom and more directly to our children. I will strive to cut costs that are absorbed by bureaucracy and administrative positions.

I realize the necessity of communication between parents and teachers, and understand that the maintenance of a positive relationship is beneficial for our kids.

I feel that we have exceptional teachers and a terrific support staff which create an outstanding learning environment and should be fairly paid for their efforts.

We need to have higher expectations from our kids and a greater amount of support from our parents and community, so that they may excel.

We must all share in the same vision and put our greatest efforts forward to create a more successful and productive school district and I am looking forward to bridging that gap.
